1. Welcome and Introductions

- Meeting began with introductions of the attendees.
- Cindy mentioned that a CEDS draft was sent to EDA for review. This will allow us ample time to make applicable changes to the CEDS map and to the report.
- We asked EDA and we received an extension to submit the final report by October.

2. Minutes

Motion made by Carmen Sandoval to approve minutes

Second by Juan Durruthy

Abstentions by Rosa Lopez Gonzalez and Elsa Saxod

Minutes passed unanimously.

3. New Statistics – Presented by Cheryl Mason

- We compared each of the census tracks with the national census tracks.
- The criteria include per capita income, unemployment rate, and the nation's comparisons.
- There are many changes in the new map for East County and for Santee. We now see the areas of high unemployment, including some tribal areas.
- Cindy mentioned that the CEDS committee has been approved by EDA.

4. Recommendation to accept new statistics, modify language to match new data and resubmit.

Motion to approve the new map and the data to change the CEDS language to reflect new data and to resubmit to EDA by Carmen Sandoval

Second by Christine Moore

No discussions or questions, motion approved unanimously.
